Dear Parents, my Cousin [Jackie](#) and Darren with Caleb Dinzey, Family and Friends, my Canadian Dinzey, St Pierre and Stolle relatives, far away at another continent, but near to your hearts, my children Anika, Benjamin, Mirjam and Alice (California), my father Dankmar and his wife Anne, and me, we take part in your pain, your farewell and to the hope that is grounded in Jesus Christ .

10-05-2016

Especially today, the 10th of May 2016, we are thinking and crying to the Lord, our heavenly father, help, comfort us and those who knew Taylore and loved her so much.

We know that she has already arrived at you God, but [Taylore](#) leaves a gap in the lives of those who remain behind. Please father, fill that gap, Taylore left, with your love and your heavenly comfort.

Our God, you are our comfort and you are our joy.

- *The Lord is my shepherd,*
- *I shall not want.*
- *He makes me lie down in green pastures;*
- *He leads me beside quiet waters.*
- *He restores my soul;*
- *He guides me in the paths of righteousness For His name's sake.*
- *Even though I walk through the valley of the shadow of death,*
- *I fear no evil,*
- *for You are with me;*
- *Your rod and Your staff,*
- *they comfort me.*
- *You prepare a table before me in the presence of my enemies;*
- *You have anointed my head with oil;*
- *My cup overflows.*
- *Surely goodness and lovingkindness will follow me all the days of my life,*
- *And I will dwell in the house of the Lord forever.*

Dear friends all around the world,

I am overwhelmed by so much congratulations, whether short or long. Behind every name there is an encounter, a story, a feeling. Every greeting I have read and imagined what I have experienced with this person.

I thank you for your birthday greetings from anywhere on this world. I got them from Africa, Tanzania, Ghana, from Thailand, from Australia, from USA.. a.s.o.

I will try to respond each of you, that's important to me!!! If I'll be not able to, please forgive me. But today I have not any time to write, and on Thursday will be similar, because I want to meet my dad and his wife.

*Today was a wonderful day. I spent a wonderful time with my colleagues at work, they sang a song, and spent their time with me, than my two children in Bonn. We went to a restaurant named Anno Tubac. After this I first phoned with my Australian Brother. I phoned with my daughter in California and her boyfriend in New York. Then I had a wonderful evening with terrific friends at Café Kratz, where I met the wonderful Özen, the chief. It was a very full and beautiful day. I was pleased to hear any of your greetings. You are so great. Thanks that you thought of me on this Spezial and great day.*

*Than by the way, it was hard to feel happiness, because my Canadian Cousine [Jackie](#) lost her 17th old daughter [Taylore](#) at a car accident, a few days ago. I am sad with her and her family. I pray for that God one day, will give her and them comfort and peace and joy again.*

*You can and I please you to match with me in this prayer.*

*Thank you.*

*God bless you all.*

*With love Andreas*

A teenage girl is dead and her passenger seriously injured following a Saturday evening highway crash east of Penhold, Alberta.

Staff Sergeant Chris Matechuk of the Innisfail RCMP detachment says emergency crews responded to the intersection of Highway 42 and RR273, east of the QEII Highway, at approximately 10:40 p.m. following reports of a multi-vehicle crash.

Investigators confirm a tow truck travelling northbound on RR273 attempted to make a left hand turn when it collided with an eastbound Toyota RAV4 on Highway 42.

The driver of the RAV4, a 17-year-old girl from Cremona, Alberta, suffered fatal injuries and was pronounced dead at the scene. Her passenger, a 19-year-old man from Cremona, suffered serious injuries and was airlifted to a Calgary area hospital in critical condition.

As of Monday afternoon, the injured man's condition remains unchanged. The identity of the deceased has not been released.

The two occupants of the tow truck were not seriously injured in the crash.

RCMP members, including the collision reconstruction unit, continue to investigate Saturday night's crash.
